How to get there

From Taunton:

- From the M5 roundabout, take the A358 (to Yeovil).
- At the traffic lights at the top of the hill, turn left and take the A378 (to Langport).
- Stay on this road for about 7 miles, until you reach Curry Rivel.
- Go through Curry Rivel, and just before the garage on your right, turn right onto the B3168.
- Take this road for just under 1.5 miles. Take the left hand turning signposted Bowden's Farm. Go over the speedbumps and then left into the car-park. We are straight ahead, at the end of the car park.
